

PURPOSE & OVERVIEW

“Everyone who competes in the games goes into strict training. They do it to get a crown that will not last, but we do it to get a crown that will last forever.”

~1 Corinthians 9:25

Tenet Talks at First Baptist Church are designed to train us in our discipleship of Jesus Christ and connect us with other believers in friendship and fellowship. We provide seven separate tracks.

- **The Membership Matters** track consists of six classes that explain Biblical church membership.
- **The Christian Basics** track grounds us in the basic essentials and disciplines of the Christian life.
- **The Bible Overview** track seeks to improve our understanding of Scripture.
- **The History & Theology** track exposes us to the history and doctrine of the church.
- **The Christian Roles** track applies God’s wisdom to our various relationships.
- **The Christian Discipleship** track lays out insight for how we can grow as Christians.
- **The Engaging the World** track lays out insight for how we can engage the world with the good news of Jesus Christ.

Ideally, begin with the Membership Matters track and follow it through to the end.
